Budget update: Jenn D

- \$10,300 is current balance in account right now.
- \$100 left in decorating budget
- If we are funding some active living week they need to know today or tomorrow so they can plan accordingly. We could give 10,000 as we have money coming in to help fund the rest of the things going on this year, 13.33 would go to each student approximately.
  - o Motion to give \$10,000 to support families in active living week. Motion by Karen R, seconded by Jenn D, all in favor, motion passed.
- Quote is coming for new furniture, they cannot recover the furniture we currently have.
- ASCE grant, discussion on what we should do with it. Dare to care program that teachers could go through with students and parents have modules too. Speaks on Bullying versus conflict. You get access for 1 year. We will put on next month's agenda to discuss further.

Fundraising update: Karen R

Maybe fundraising for a bench at pioneer acres, which is \$300.00. Do a donut day and the proceeds go to this bench, an idea to discuss later.

Other Questions:

What do we know about Safety patrol programs? Our understanding is that we cannot control traffic at a controlled intersection. If there's any issues we need to call bylaw, the more complaints that they get they will send more bylaw presence.

With Terry retiring, when will we know the new principal? They are hoping to hire by the end of April, then we will find out once all the teachers etc. know.

Next meeting April 9 at 6:30

Meeting adjourned at 7:14 pm.
